

brella™ CARDHOLDER QUICK GUIDE

For users with turn card off/on feature.

ENROLL

- Download Brella for free from the Apple App Store or Google Play
- Select **Register**
- Enter your debit card number
- Review and accept product terms and conditions
- Proceed with the Card Verification process and complete the User Profile information
- Activate the account via email activation link

LOGGING IN

- Enter your username and password, or enable fingerprint access
- See your balances without logging in by tapping **Quick Balance**

MANAGE ALERTS AND BLOCKS

- Select a card from Cards & Accounts screen
- Tap **Set Alerts & Blocks** on the Card Actions screen

There are several options for alerts — tap on each to determine your alert delivery settings and configure the app to best fit your needs.

- **Turn Card Off/On** — turn your card off and on using the slider button

Here you can set blocks for:

- Transactions over a certain amount
- Internet and phone transactions
- Transactions outside of the U.S.

Choose how you want to receive alerts.

- Set alerts to send to your email and/or via text message (confirmation of the mobile number is required the first time text message alerts are enabled and standard text messaging fees may apply)
- Text messaging is an optional feature that needs to be enabled by your financial institution
